### **DETAILED ACTION**

Receipt of letter & declaration, dated 5-7-02; request for extension of time, request for reconsideration and supplemental prior art, all dated 5-3-02 is acknowledged.

Claims 1-127 are pending. Claims 50-53, 55, 60-62, 64, 69-74 and 120-127 are at issue, claims 1-49, 54, 56-59, 63, 65-68 and 75-119 are withdrawn from consideration as non-elected species.

### ***Response to Arguments***

Claims 50-53, 55, 60-62, 64, 69-74 and 120-127 have been rejected as being obvious over US patent No. 5,935,601.

In response to this rejection, counsel stated in the response (paper #12) that applicants submitted an unexecuted declaration stating that the instant application and the '601 patent were commonly owned at the time of the instant invention. However, an executed declaration filed on 5-7-02 (paper #10) is similar to the unexecuted declaration attached to paper #12. In response to this, examiner has withdrawn the above rejection of claims as being obvious over '601 patent.

In response to the obviousness-type double patenting rejection of record, applicants agreed to submit a terminal disclaimer, upon finding allowable subject matter. However, no such has been filed. Accordingly, the obviousness-type double patenting rejection of record has been maintained.

*Conclusion*

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
